

**We make it our mission to move your world.**

## Helping You Make a Difference

Suddath has been a leading provider of international and domestic household goods and relocation services since 1919. With Suddath, your employees have a single-source contact and advocate throughout their move. We recognize the unique needs of NGOs, from overcoming logistical challenges to securing personal moving services.

Call us today for your complimentary quote.

## Non-Governmental Organizations

Whether your organization or your employee is selecting a relocation provider, Suddath can help you navigate the complexities of the relocation process. Suddath specializes in providing complete, door-to-door services worldwide, and is committed to servicing the needs of both the transferring family and the NGO client.

What makes Suddath unique:

- Extensive experience with NGOs and knowledge of USAID regulations
- Comprehensive, door-to-door services worldwide
- Online shipment tracking
- Network of qualified international moving companies worldwide
- Safe, secure household goods storage and warehouse services worldwide
- Strict cost-control through rate negotiation, budgeting and auditing
- Full-replacement transit and storage insurance
- ISO 9001 (Customer Service Processes), ISO 14001 (Environmental) and ISO 27001 (IT Security) quality initiatives
- As a FAIM-certified member of FIDI, Suddath is continually working to improve our operational efficiencies, quality measures and levels of customer service
