## Peace of Mind

Congratulations on your overseas assignment! You've most likely received this information from your employer because you are in the beginning stages of planning your move to a new country. Suddath understands the importance of your goods being delivered on-time and in tact. Ease your mind with Suddath's door-to-door services, while your personal move counselor guides you through each step of the process, including your move survey, packing, documentation, insurance and shipping arrangements.

Let Suddath "Take care of it."
